4. In the new screen, enter the current semester in **Select a Term**. You will then see a list of the students enrolled in your courses this semester who have approved accommodations:

The screenshot shows a web interface with a dropdown menu labeled "Select a Term:" set to "Fall 2024". Below it is a link that says "Click on student name for detailed listing of accommodations". A table follows with columns: Student ID, Name, Class, Title, CRN, and Status. Two rows are visible, both for "ENGL 3280" with CRN "15294" and status "Registered".

Student ID	Name	Class	Title	CRN	Status

5. When you click on a specific student's name, you will see the list of that student's specific, approved accommodations. Not all accommodations will be relevant/reasonable for a given course. This is where the ADA-required "interactive process" comes into play.

The screenshot shows a page titled "View Approved Student Accommodations". It has input fields for "Student ID:" and "Student Name:". Below these is a table with columns: Accommodation Description, Begin Date, and End Date. Five accommodations are listed, all with a "Begin Date" of "August 15, 2024" and an "End Date" of "August 15, 2025". A red circle highlights the first four rows of the table. At the bottom, there is a "Go Back" button and pagination information: "Page 1 of 1" and "Per Page 20".
